

"... and suddenly I woke up"

Carla

Who is not fucking afraid of living every day to the fullest?. My parents were so annoying saying the same. "Baby with your talent you can do everything you want, you can reach your goals".

Then I start working and I realize what I really like doing has deplorable conditions, and it's completely backwards.... so I decided to say fuck it.

For the first time in my life I only thought of myself and what I really wanted to do. What could I do for the rest of my life to be fucking happy? And so I started THE CRAB.

Hard work? Too much. Results? Too few...in the short term..... I mean, talking, about money.

But once you try freedom, you never go back.

Lucia

Normally my life is a little bit repetitive. I wake up early in the morning to go to work. I am a lawyer so I have a lot of work. But then I get home and Antonio is waiting for me. Antonio is my husband. We have been together our whole lives.... We got married three years ago.

My hobbies?... mmm.. I love fashion.. I love going shopping. I like going out with my friends too. And I love Rock music, although my husband says I should stop fooling around and that what we really have to do is to have kids. He is crazy to have them, and me too.

SECUENCIA 2

Carla:

A couple??? No way. I like playing the field, I have never paid attention to anybody in particular. I like having fun, meeting people... and If the guys are hot, even better.

SECUENCIA 3

Thank you Madrid!!!!!!!!!!!! You fucking rock!!!!!!!! Thank you!!!!!!!!

SECUENCIA 4

CARLA

Hey... what office did you run away from?

Lucia

Sorry?

Carla

What I mean is.. did you like the concert?

Lucia

Yes, of course, a lot

Carla

I'm glad. You know, you could come back another day.. because there's also plenty of hot guys.

Lucia

Ok, but I am married, you know?

Chica

Sorry Carla, can you sign an autograph for me, please!!!

Carla

Yes, thank you.

Listen, give me your phone number and I'll invite you to a private concert.

Lucía

Ok thanks, 686935211

SECUENCIA 4

Lucia

I am faithful and I will always be faithful. Flitting from one man to another is not for me.

SECUENCIA 5

Carla:

Hey Lucía How are you doing? It's Carla, the crazy singer.

Lucía

Hey, How are you doing?

Carla

Well, I am calling you because I am having a party at home next Saturday, we are going to play some music. Would you like to come?

Lucía

Oh.. mm Ok, I'll see if Antonio wants to come.

Carla

Cool, See you then. I'll send you my address through whatsapp.

Lucía

Great. See you then. Ciao.

Antonio

What's the matter with you? Who was calling?

Carla

Nothing it was no one ... I have a headache.

SECUENCIA 6

Lucía

To be honest I don't know how it could happen. I am still surprised about it, but It happened.

SECUENCIA 7

Carla

Lucía !!!!! Hi. Come in!

Lucía

What's going on? Is nobody coming?

Carla

It was a mess, one of them told me he had a concert, the other one... I don't really know.... so....

Lucía

The party has been cancelled.

Carla

No, no.. I didn't say that. They are coming, but I bit later. At least, that's what Jose told me. Would you like something to drink?

Lucía

Well.. it's just that... Antonio doesn't like me to drink. But.. ok yeah I guess I will have a drink. When do you think people are coming?

Carla

I don't know... my friend said they'll be here in a while.

Lucía

So... can you make a living from playing music?

Carla

oh.. no, It's really complicated. I support myself with different things. Sometimes I work as a waitress in a bar, this place for stupid, stuck-up people... but they pay well.

Lucía

What's the name of the bar?

Carla

La Rosa de los vientos.

Lucía

You know what ? I usually go there so according to you I am a stupid stuck-up girl. Right?

Carla

Oh..no, I didn't mean it like that.. But you have to admit, that there are some really stupid stuck-up people in that place . Don't you think?

Lucía

So, when did you say people are coming? Antonio doesn't like me to get home late.

Carla

Listen girl, you are not a fucking baby! Tell your husband to wait.

Lucía

Look! My husband just worries about me. And stop picking on me, I haven't done anything to you.

Carla

Ok sorry. I didn't mean to offend you. Sorry.

Lucía

I love your music.

Carla

And I love this posh cool outfit you're wearing.

Lucía

Really? I don't believe you. To be honest, going shopping is my hobby.

Carla

And rock music isn't, is it?

Lucía

Yes, it is... But I have to go without telling him... You know....

Carla

Yes of course.. your..

Lucía

Yes... ok.. yes... my husband. I am jealous of you because you can do everything you want.

Carla

And look at you! You have money, girl. Your problem isn't that you can't do what you want. You have a nice home. You have a steady job, your only problem is that you have an idiot husband controlling you.

Lucia

Look, i know nobody is coming so I'm going to leave.

Carla

Hey, wait. Listen to just one song from my last concert and you can leave. ok?

Lucía

Fine.. but give me a gin tonic.

Carla

Or two if it's necessary.

SECUENCIA 8

Lucía

And suddenly I woke up and I was there. I didn't remember anything. Ok.. well..... I remembered everything.

SECUENCIA 9

Carla

Shit!!!!!!!

SECUENCIA 10

Carla

And with regard to the rest , I don't know what to say but it was very intense.

Lucía

It was a real nightmare!

SECUENCIA

Carla

We need to talk about this.

Lucía

Sorry but I don't need to talk about anything.

Carla

Well I do ! You know I don't like girls and even less posh girls like you.

Lucía

What???? And do you really think that I like weird girls like you??

Carla

Well whatever then. It's done.

Lucía

Perfect!

Carla

From now on we'll go our separate ways.

Lucía

I hope so. I am married.

Carla

Look, don't worry baby, you are not going to see me again in your fucking life.

Lucía

Here's hoping.

Carla

Next to a fucking plain, stuck-up girl like that???? I wouldn't give a shit if she had a husband and wanted to have kids... me with a girl like that?

Lucía

How can I like a rocker and what's more a girl!!!!!! Never. But then suddenly... cupid comes to you and you don't know how.... so I am here, living with this strange girl.

Carla

And I am living with a posh traditional girl... unbelievable!

Timbre

Carla

Are you waiting for someone ?

Lucía

It's Antonio. My husband. Hope you like him?

Carla
