

The present

Dialog

Mom:

Hey Sweetie. Sorry I got home so late, but I had to pick up something after work.

It's such a beautiful day outside, you should let some sun inside.

That's better.

Why don't you stop playing and open the present I got for you?

Hello?

Oh, yes sir. I don't know why you didn't get the papers.

Boy:

Okay, wow, cool!

Argh

You gotta be kidding me?

Get lost!

Mom....will be outside.
